Inception Of Our Journey

- Education, a vital element for any individual to gain the edge, has been changing in a very dynamic manner. Students around the globe are currently opting for education that not only offers them the skills and the knowledge but also gives them an edge by providing them with experimental exposure towards their learning. Along with that, they also need to ensure that the education brings a change in them which results in complimenting their job career for a long tenure.
- Overseas education plays an important aspect over here along with the secondary importance given to jobs and immigration. All these things add up to the point that students are radically opting for international education as a part of their career and make sure that they excel at it. To achieve this goal in mind we at **Allwyn Education Group**, one of the leading education consultant ensure that once a student joins hands with us he doesn't have to regret that decision.

Our Services

Career Guidance and Counselling:

Every year more and more students enroll with us for student visa process and we make sure that they are provided with the right guidance. Firstly, our experienced team of counsellors provides students with one to one counselling & guidance for country, course & college/university selection meeting their expectation. Our aim is to optimize students opportunities by developing proper career pathway in the country of their choice. Similarly, our IELTS faculties, in other words, experienced trainers which ensure that the students don't hold any doubt in their coaching. This benefit comes up as they are well trained and hold accreditations from British Council. Our faculties train the student in the manner where he gains a good hand on all the English language skills and is prepared for international market. All these benefits, have resulted in the successful training of students who are able to create their career with the help of IELTS coaching with **Allwyn Education Group**.

Our Services

Student Visa:

One of our areas of expertise is the student visa wherein we first look into the students IELTS score which is mandatory. Consequently, we look into the area of interest of the student and the institution that matches the requirement of the student. To bring to the light, we have tie-ups with many academic and educational institutions all over globe that ensures that the students needs are met. Our team of experts is constantly making sure to deliver the quickest and smoothest process of visa processing to the students with the success rate of 85-90%. To add the extra benefit, we ensure that the students receive post visa services with us such as airport pick-up, accommodation services, work permit and many more.
